Hi Trina.
Unfortunately, I never got the 8-24-17 e-mail you claimed to have sent me after an e-mail was sent to Frank V. I remember prior to the 4-10-17 Hope house visitation, like the visitation prior, you took pictures with your phone which you said you would have to print out and give me in person at the next visitation, which happened to be where the spat happened and I left unexpectedly, without a chance to grab the pictures you had printed out I think. You said you couldn't send them by phone and had them printed out. I never came back to grab them and just got to thinking about them the other day. Do you remember what I am talking about or no?

Frank,
I appreciate you trying to reach out to her. I never received any calls or e-mails from her about the pictures in regards to the e-mail I sent you until after I mentioned not hearing anything back from her. She can say that she did try to reach out to me but I can assure you, she did not. Unless she had the wrong e-mail and I am not aware of it that is.
Thanks a lot F Vonch.
Sincerely, Julia Eickmeier

Frank Vaughn,

I just tried to call both numbers for the hope house. I wasn't able to reach anybody. I wanted to see about getting photos that were taken during one of the last visitations from Trina. She said she had taken them and would print them out then hand them to me at the last visitation which problems occurred at and I contacted you about. I was just wondering if there was any way you could please send those pictures to me so I can have and keep them. It would be much appreciated if I could hear something back from you since other contact methods do not seem to be working. Anyways take care and I hope you get back to me.
